

### Features

- Compatible with Onity HT24, HT28 electronic locking systems and OS electronic safes.
- Direct thermal printing system
- Serial interface
- LED color for power and charge
- Auto shut-off

### Specifications

- Weight: .81 lb (370 gr)  
(With battery and belt clip, without paper)
- Size: 4.5" / 3.5" / 2.25"  
116mm / 90mm / 51mm
- Paper cover width: 2.24" / 57mm
- Battery type: Li-ion battery pack
- Battery charging time: Approximately 3 hours by main unit + AC adaptor
- Recommended paper: TF50-KS-E2D (Nippon paper)
- AC adaptor  
10AD-JU (for Japan, USA and Canada)  
10AD-E (for Europe)  
Input voltage: 90 V - 264 V AC  
Output voltage: 9.0 V DC 1.0 A
- Operating environment:  
Temperature: 5 - 400  
Humidity: 35 - 80% RH (no dew condensation)

### Part Number

- CP 300 690
